① GETTING TO KNOW YOUR LITERATI

Your Literati has been designed to provide a simple and elegant reading experience out-of-the box. It comes with access to 150 pre-selected treasured classics. 25 of those titles have been preloaded onto your Literati so that you can begin enjoying them immediately. You'll find these books under the "Books"/"Library" tab. Enjoy!
When you create a user account and first login on your Literati (details on page 5), you will be prompted to select which of the additional 125 free books you would like to load onto your Literati.

❶ IMPORTANT: Make sure that your device has been charged for a minimum of 6 hours before use.

❷ Turn on your Literati and begin exploring.

❸ As you explore, you'll notice three tabs at the top of the screen.
    1. "I'm Reading": A list of titles you have begun to read.
    2. "Books"/"Library": A list of titles loaded onto your Literati.
   3. "Store": The built-in Kobo Books bookstore with access to more than two million titles.
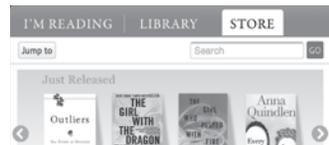

② **INTRO TO WIFI**

WIFI NETWORKING

Your Literati comes with a built-in bookstore with access to over two million titles. In order to access the bookstore, you will need to connect your Literati to a wireless network.

❶ Press the "menu" button and then use the Directional Pad (D-Pad) ◉ to click on "Wi-Fi".

❷ Click on "Enable".

❸ A list of detectable wireless networks will appear.

❹ If you choose a secure network, enter your password, then click "Join".

❺ At this point you may be prompted to update your Literati. Please see page 7 of this guide for more details on updating your Literati.

❻ Additional details on WiFi settings can be found in the instruction manual.
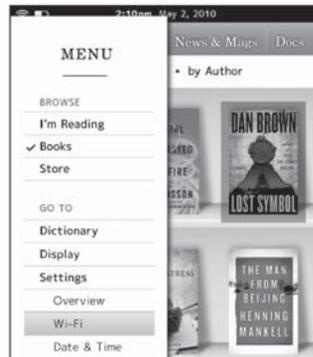

NOTE: In order to type numbers, hold down the ALT 🔘 key while pressing the round buttons in the top row of the keyboard.

Please Note: The device will automatically disable WiFi when the battery reaches 25%.

③ **BUILT-IN BOOKSTORE**

❶ Click on the home button and navigate to the "Store" tab.

❷ If you are not connected to WiFi, you will be prompted to connect. See page 3 for more details.

❸ Search for a title and follow instructions to buy!

NOTE: In order to type numbers, hold down the ALT 🅐🅛🅣 key while pressing the round buttons in the top row of the keyboard.

❹ If you have not set up an account, you will be prompted to do so.
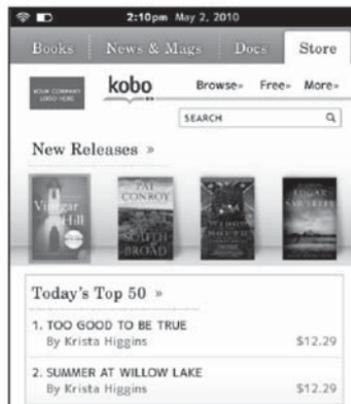

④ **CREATE A BOOKSTORE ACCOUNT**

With your Literati, you can access one of the world's largest online bookstores, Powered by Kobo Books. To download or purchase books from Kobo, you will need to create an account. Once created, your account will allow one-click purchases.

❶ When trying to buy your first book or sync your device, you will be prompted to Log In. If you have already created a Kobo account, enter it now and click SIGN IN .

❷ If you have not created an account, click GET STARTED .

❸ Now that you are signed in, you may sync your device with any previous purchases by clicking on the sync button 🔄. This can be found in the "I'm Reading" or "Books"/"Library" tab.

← Sync button

NOTE: In order to type numbers, hold down the ALT 🅐🅛🅣 key while pressing the round buttons in the top row of the keyboard.
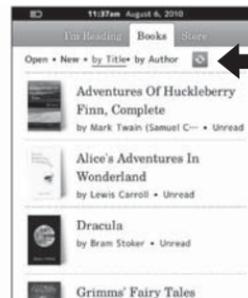

⑤ **READ**

❶ You can access your titles from two different tabs on your Literati. The "I'm Reading" tab shows you a list of the books you have begun reading. The "Books"/"Library" tab shows your purchased and free titles. On either tab, selecting a book will open it for reading.
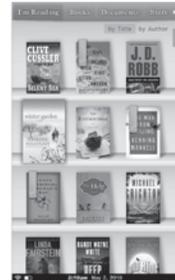

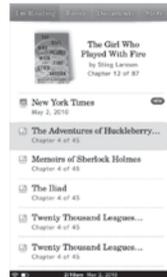

❷ As you read, use the following buttons:
- Paging Buttons ‹ › - Use these to move to the next or previous page. You can also use the Left and Right buttons on the D-Pad ◉ .

- Display Button - this button allows you to change the typeface and size of the font. (You can also use the Up/Down buttons on the D-pad ◉ to change the type size).
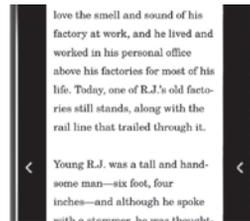

⑥ **UPDATING YOUR LITERATI**

The Sharper Image® is dedicated to ensuring that you enjoy your Literati for years to come. As we develop new enhancements and features, your Literati will automatically prompt you to update when you connect to a wireless network.

To update your Literati:

❶ Connect to a wireless network. See page 3 for more details. Your Literati will automatically check to see whether an update is available. If an update is available, your Literati will notify you and prompt you to update.

❷ Click OK to begin the update process.

❸ When your Literati prompts you to finish the update, click Restart.
The update will take effect after your Literati restarts.
