Interactive Toy

## Chat Starters

The Key to Fab Interaction!

Your Fijit Friend™ is sooo excited to hear...

"Tell Me a Joke"  
"Chat with Me"  
"Dance with Me"

And when she asks what you're up to, say...

"Going to..."  
"School"  
"Nothing"  
"Today"  
"Tomorrow"  
"Weekend"

Or when she asks about the weather, tell her it's...

"Cold"  
"Hot"  
"Rainy"  
"Warm"  
"Snowing"  
"Sunny"

And she may ask how you're feeling! Are you...?

"Great"  
"Sleepy"  
"Sad"  
"Bored"  
"Happy"  
"Fine"

And don't forget to wish her...  
"Goodnight!"

## Yippits™ Figure

### TRICKS

- Teach tricks in Home Mode (when you first turn Yippits™ on).
- Clap in front of Yippits™, 1-2 feet away (30-60 cm).
- When it recognizes a clap, its mouth lights-up red.
- When she performs correctly, reward her by pressing either Button; she'll get better the more you nurture her!

- 1 Clap = Sit
- 2 Claps = Spin in a Circle
- 3 Claps = Sing & Dance
- 4 Claps = Beg
- 5 Claps = Push-ups

### GAMES

- To enter Game Mode, press and hold Button A.
- Then press Button A to scroll, press Button B or clap to select.

- To select a game:

Eye A = Game A: Follow the Lights  
(repeat the pattern)

Eye B = Game B: Chase the Lights  
(tag lights fast)

Eye A lights up	= Press Button A
Eye B lights up	= Press Button B
Both eyes light up	= Press both buttons simultaneously
Mouth lights up	= Clap

### DANCING

- To enter Dance Mode, press and hold Button B.
- Clap your hands to the beat Yippits™ blinks.
- To return to Home Mode, press and hold both buttons at the same time.

See the instructions to learn about Sonic Chirp Mode and what else your Yippits™ can do!

If Yippits™ doesn't perform with its usual enthusiasm, ask an adult to change its batteries.
