

SPYKEE

the Spy robot

Spykee is the first WiFi robot that moves, sees, hears, speaks, takes pictures or creates videos...

3 MODELS

- Surveillance & video camera**
Spykee is a video surveillance device! When a movement is detected, Spykee activates an alarm or sends you a picture by e-mail...
- Social effects**
Spykee has many fun functions! Video filters, light and sound effects...
- MP3 music player**
Spykee is an mp3 Player! Listen to your own mp3 music...
- VoIP phone & webcam**
Spykee is a telephone! Call for free on the internet thanks to the VoIP phone.
- Auto-recharge**
Spykee returns to the recharging base by itself when the battery is weak.

Quick and easy construction to build 3 different robots. Comes with more than 200 parts and tool. Recharging base and battery included. The Spykee range is compatible with all Erector and Meccano parts.
